

# Chairs Report

Jeff Greenough

This will be my final report as Chairman of SNUG. IT has been a honour to be the Chair and represent you over the last seven years.

I certainly wouldn't have been able to do the role without the help and guidance of fellow committee members and wish to thank especially Sean Lewis, Matthew Hoyle, and Michael Daley, in fact I could go on and name the whole committee and continue even wider as you have all played your part over the years in getting SNUG to where it is today. I'm sure you will all make the new Chair as welcome as you have me.
